Subject: Review of Letter 0 -DEQ-DLCD, Forestry Roads
Attachments: Coded Public Comments_Forestry (ah).xlsx

Chris,

Attached is my review of Letter 0 – the DEQ-DLCD letter. I added my comments to the Forestry – Roads matrix Allison and company had put together. My comments are color coded “blue”. I will be putting together a reference document for this letter next.

Let me know if you have any questions.

Alan
